

**WHEN:**

Wednesday, June 26, 2019 12 PM - 1 PM CDT

**WHAT:**

Webinar opportunity with ELCA collaborators Blessed Tomorrow who will discuss content of "Moving Forward," a recently released guide to climate action for your congregation and community

**WHY:**

Changes to our climate reach into communities across the U.S. and around the world. ELCA members, as individuals, congregations, and ministry groups, are responding. This webinar will share ideas to expand your response in scope and efficacy. The issues are pressing – and the solutions are within reach.

**HOW:**

Register at <https://register.gotowebinar.com/register/4744202857618562059> . Instructions for connecting to the webinar will be sent after you register. You can register up until the time of the webinar.

Whether or not you attend the webinar, find the resource "Moving Forward A Guide to Climate Action For Your Congregation and Community" at <http://elca.org/environment>
